MEMORANDUM FOR: Director of Personnel

Emmett:

I noted that Bud Wheelon's request is dated about a month prior to his departure. I have consulted with Carl Duckett and find that he is not in complete agreement with Bud's proposal. The number of differences in their opinions cause me to ask you to discuss the matter with Carl and to resubmit the request if this is still desired.

There are also a number of questions which I would like answered:

a. Why is it necessary to set up a new GS-18 position for the Director of Reconnaissance? The incumbent's status has not changed.

b. I question the validity of the GS-16 position for a Special Assistant to the Director of Reconnaissance.

c. I see no necessity for a DD/S&T  
[redacted] Representative.

d. I am not satisfied that the position of the Chief, Intelligence Liaison Support Staff warrants the grade of GS-16.

Emmett:

I assume the newness of some of these positions has a major bearing on the proposed grades. In any event, as Colonel White suggested, please have another look and discuss the appropriate grades with Carl Bucket. Please submit your response to Colonel White through this Office, if possible by 10 November.
